During a Magical
Moment in the Forest

IBAIA

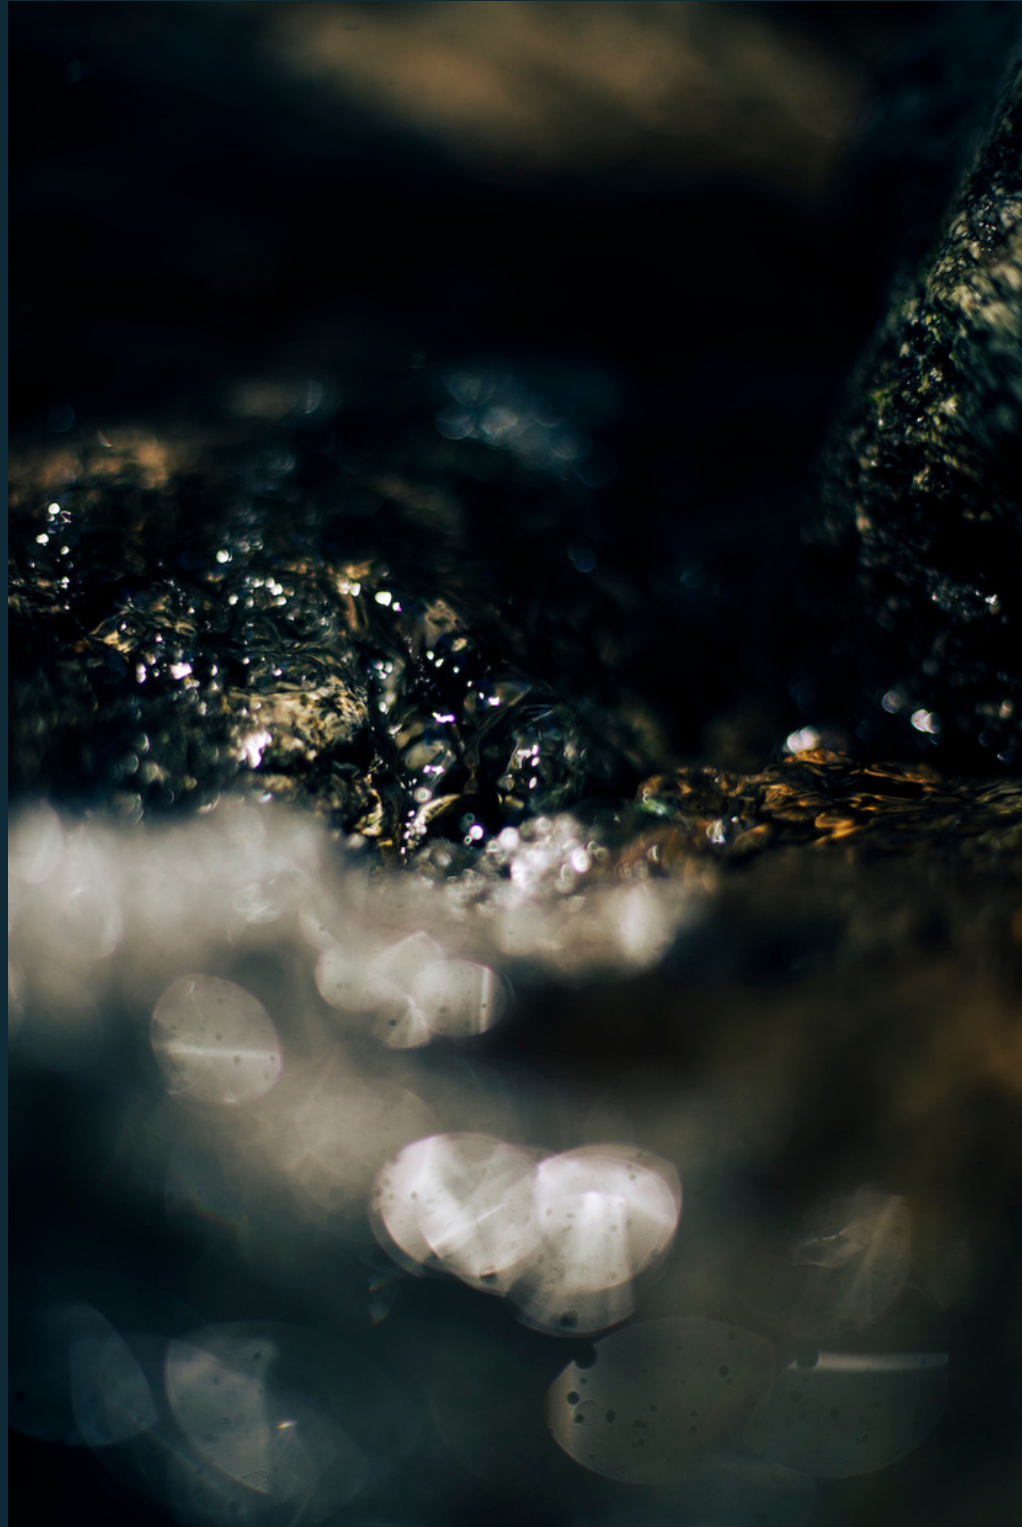

MUJIZA

LEBEN

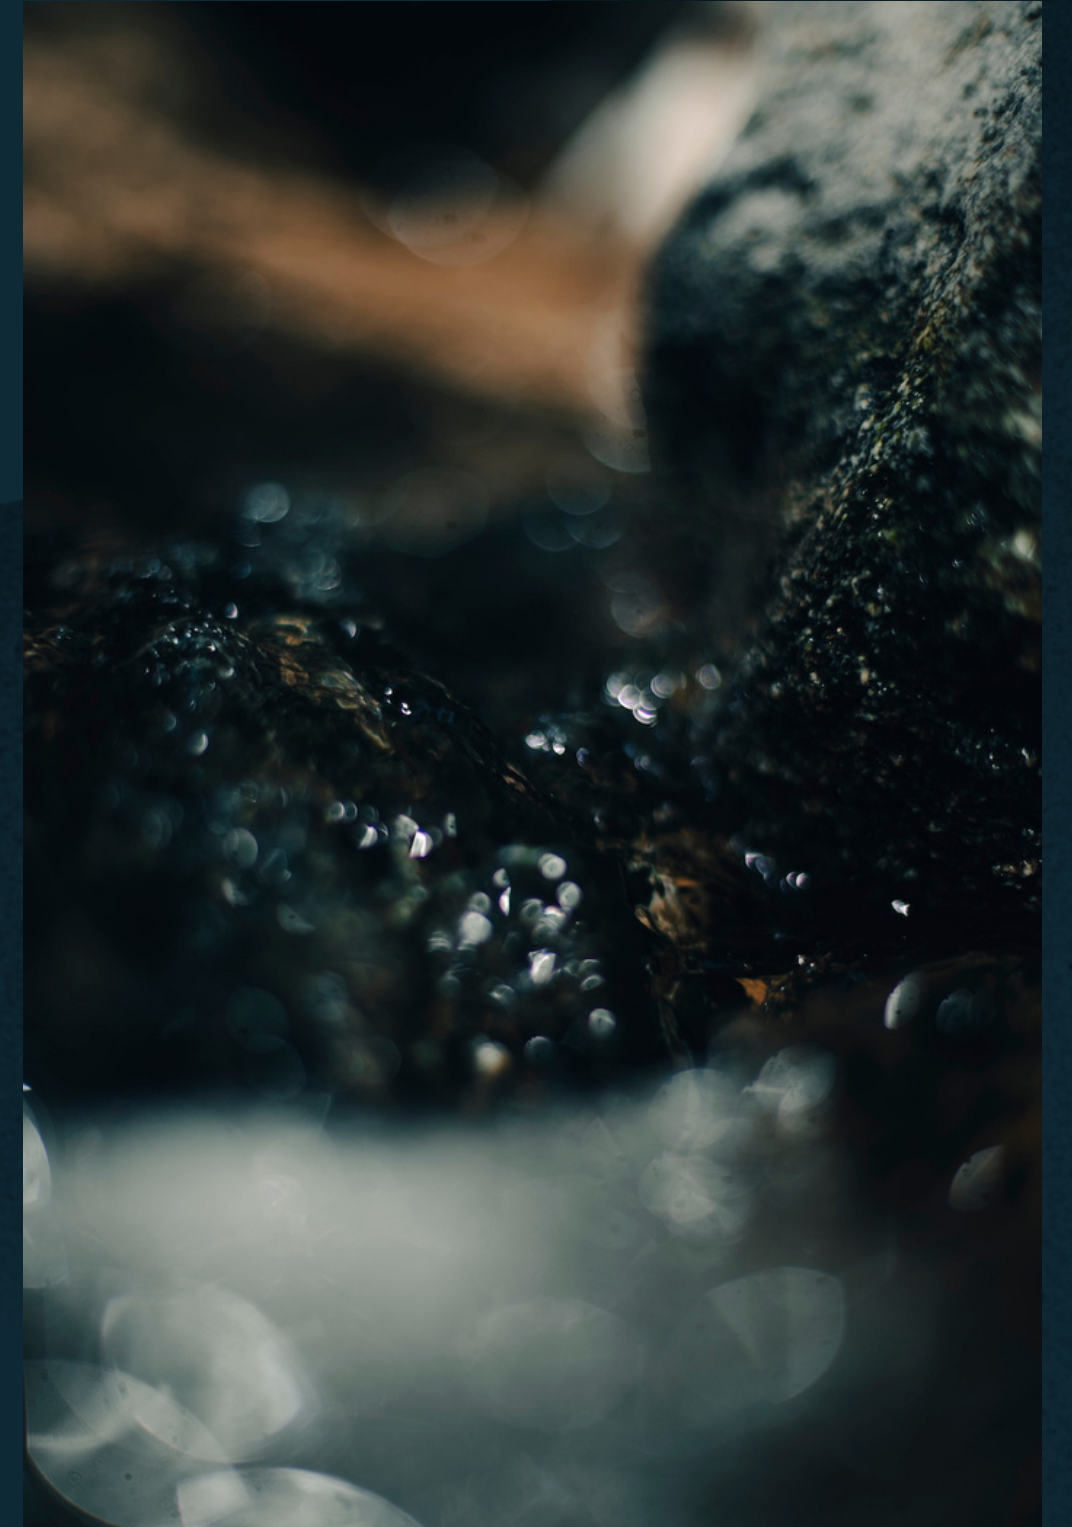

*"Seek out a tree and let it teach you tranquility."
Eckhart Tolle*

EPOK

ESAYA

VELLAUNUS

"Live like a tree, alone and free. Live as brothers like the trees in a forest."

Nâzim Hikmet

NUR

SIHR

HAIHUWA

"Imagination has the right to revel in the shade of the tree it turns into a forest."

Gaston Bachelard

ELLEINA

IMANI

"Beauty is everywhere in nature, from the tiniest flower to the harmonious reflections of light on the water's surface, to the serene strength of majestic trees. Everything radiates with the natural beauty of the world."

Natalia Logvinova Smalto, Le parfum de l'esprit

PSYCHÉ

DAWN

*"In order for trees and plants to flourish,
for the animals that rely on them to thrive,
and for humans to live, the earth must be honored."*

Pierre Rabhi

EYLIN

CRYSTAL

*"To be a tree.
A winged tree.*

*Bare its roots in the mighty earth
and surrender them to the ground,
and when, all around us,
everything will be much broader,
spread our wings wide and start to fly."*

Pablo Neruda

ESKY

ELYAH

"The tallest tree was born from a tiny seed."

Lao-Tseu

VAYEN

DARK ESKY

"Man, if he so desires, can always plant a tree of life beside a dead one."

Martin Gray, Book of Life

ÖREN

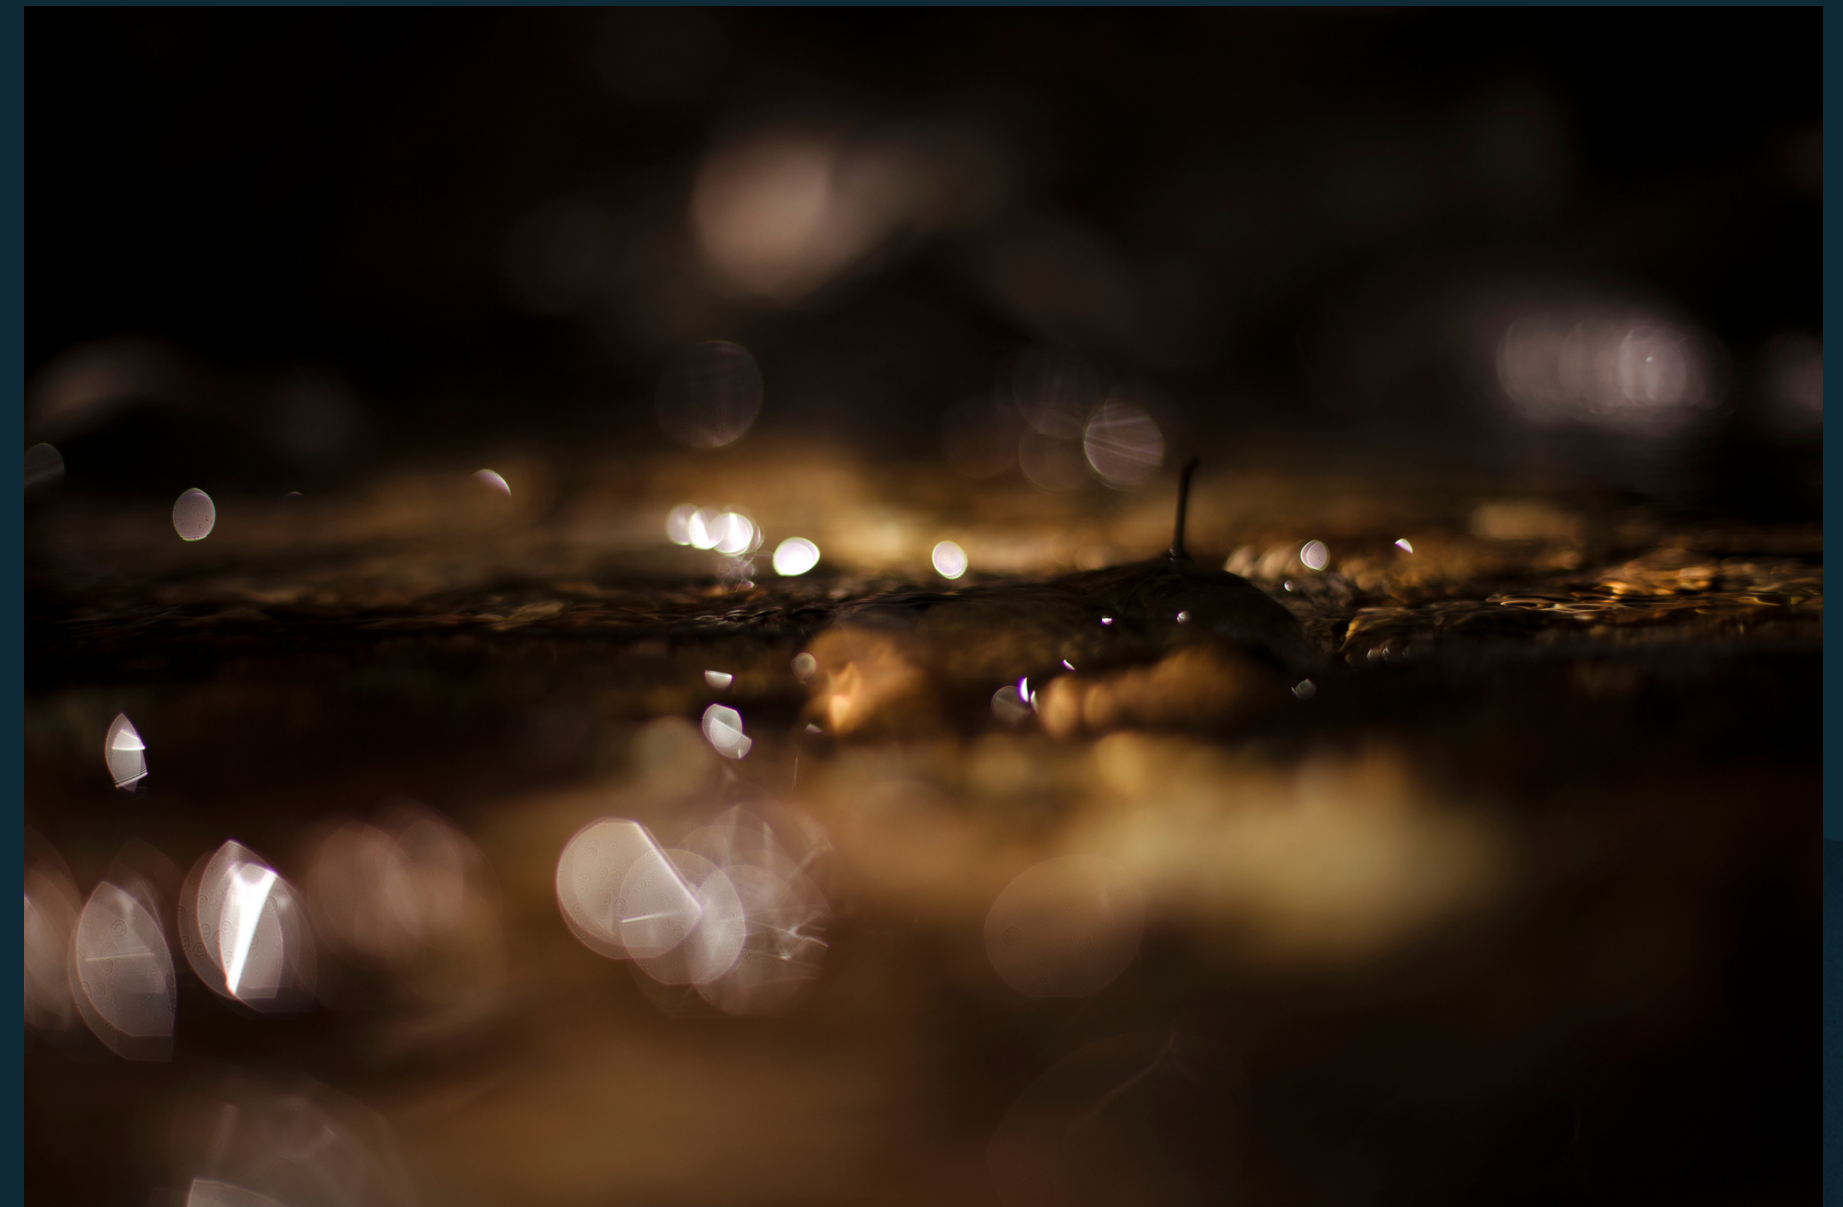

HERA

*"To enter into nature and inhale and exhale within that nature,
and truly and forever feel at home only in that nature,
that was, he sensed it, the supreme happiness."*

Thomas Bernhard

DANSARINN

EWIG

*"I was in the middle of the forest, and there were two paths before me.
I took the one less traveled, and that is where my life began."*

Robert Frost

GIZEM

BLUE SHADOW

"Each person holds within themselves an untouched forest, a stretch of snow where no bird has left its footprint."

Virginia Woolf

WHISPERS

GEIHEM

"A cool breeze sends leaves flying; it's as if it whispers the evening's farewell to the forest."

Nikolaus Lenau

KOMMID

ASK

"Nothing compares to the strength of a person's love for their land, their forest, their rivers, their mountains, their rocks, their trees, their birds, their stones."

Jean-Marie Adiaffi

ESTRELA

KARAA

"Listening like a tree is worth more than anything."

Jean Chalon

ALMA

OMEGA

"The forest is a state of the soul."

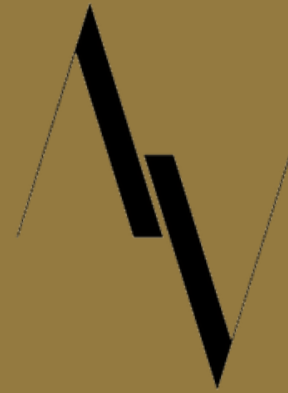

Gaston Bachelard

Outside of Time

ĀTMA

FAÍLTE

FEIER

*"Attentive to the sounds and smells, I awaken to the serene presence of the plant world.
I feel alive, on the surface of planet Earth, in the present moment of the Universe's evolution."
Hubert Reeves*

IDUNN

ISKRA

SILA

*"World peace can only be achieved, revealed, offered, and manifested on Earth when in every person, the power of love has replaced the love of power."
Sri Chinmoy*

STYRKA

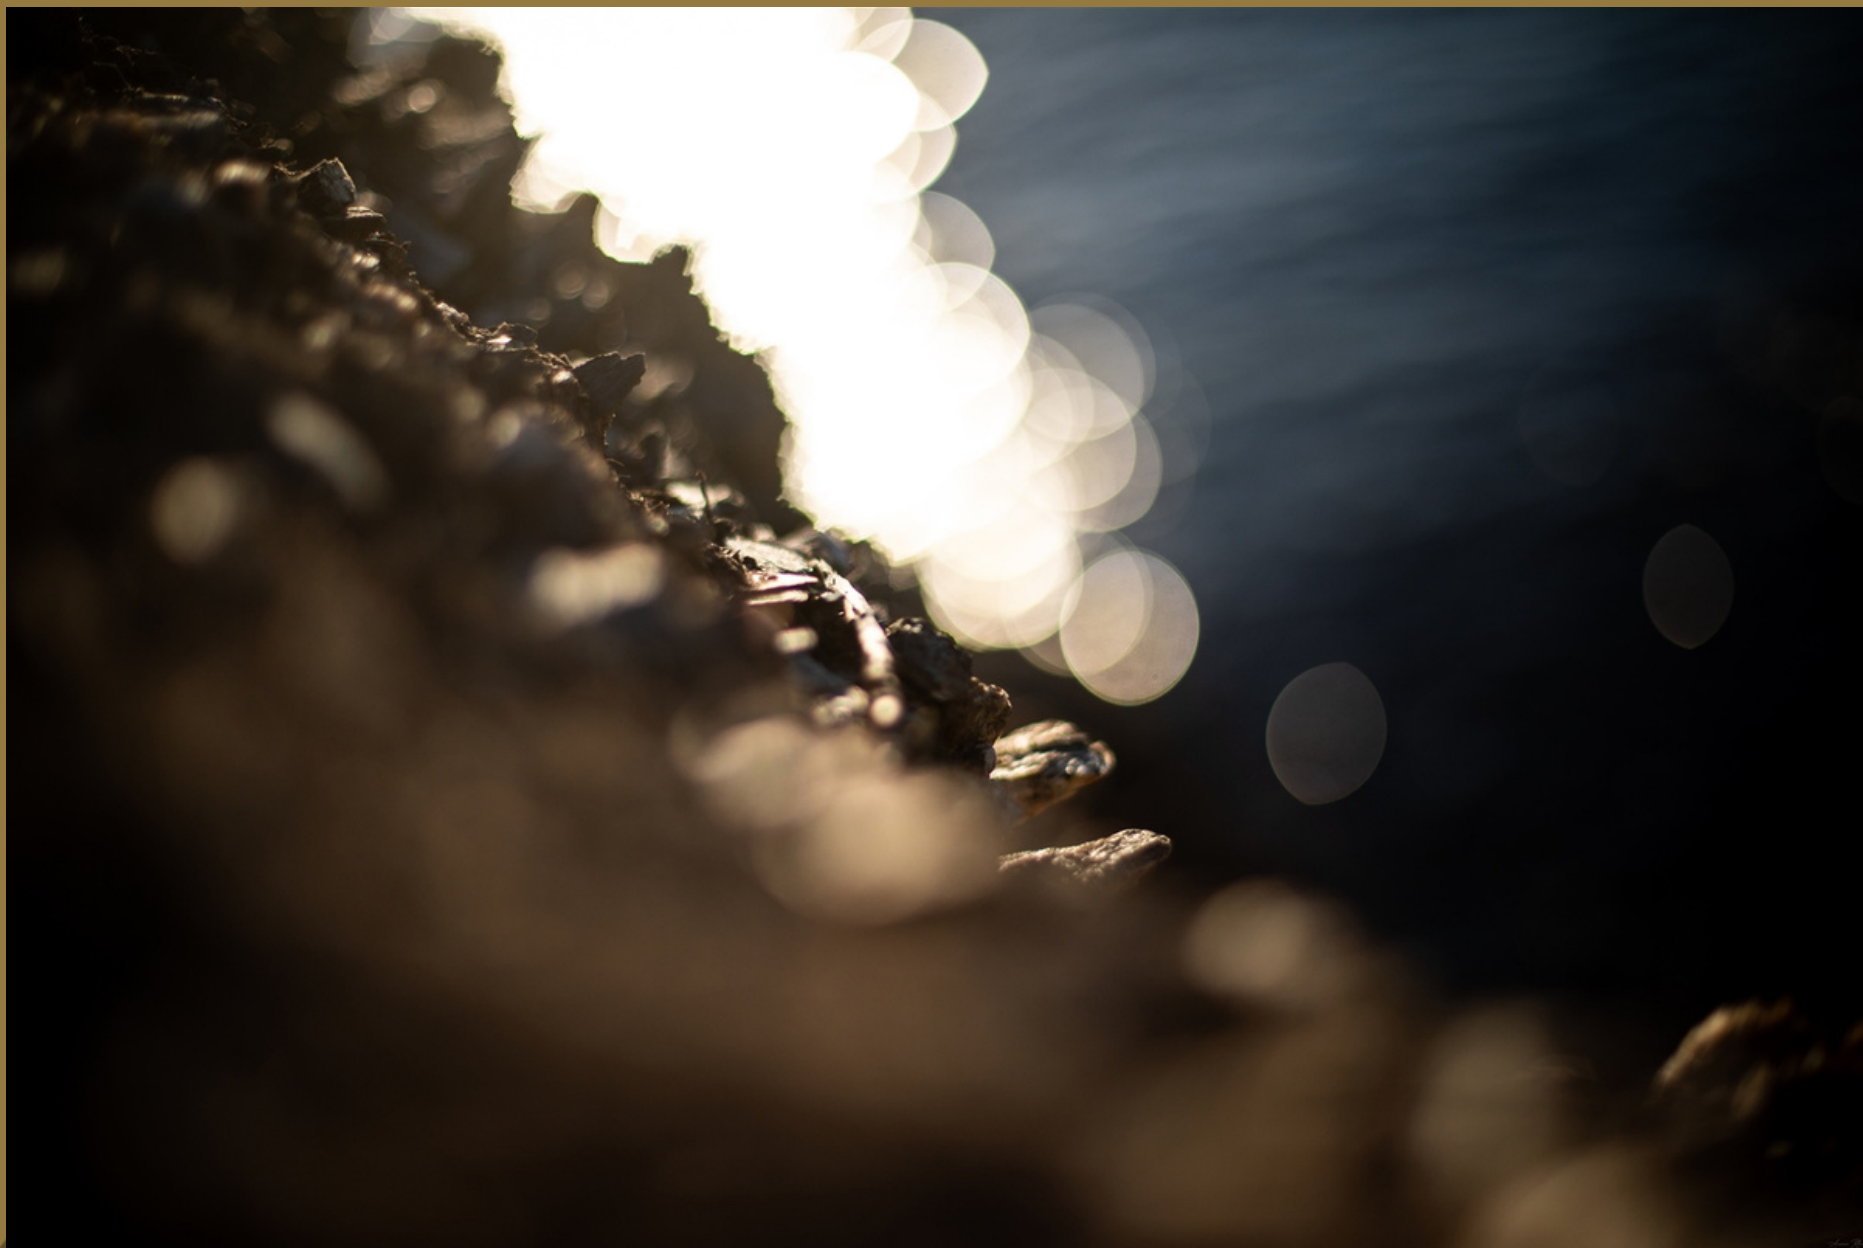

SVETLINA

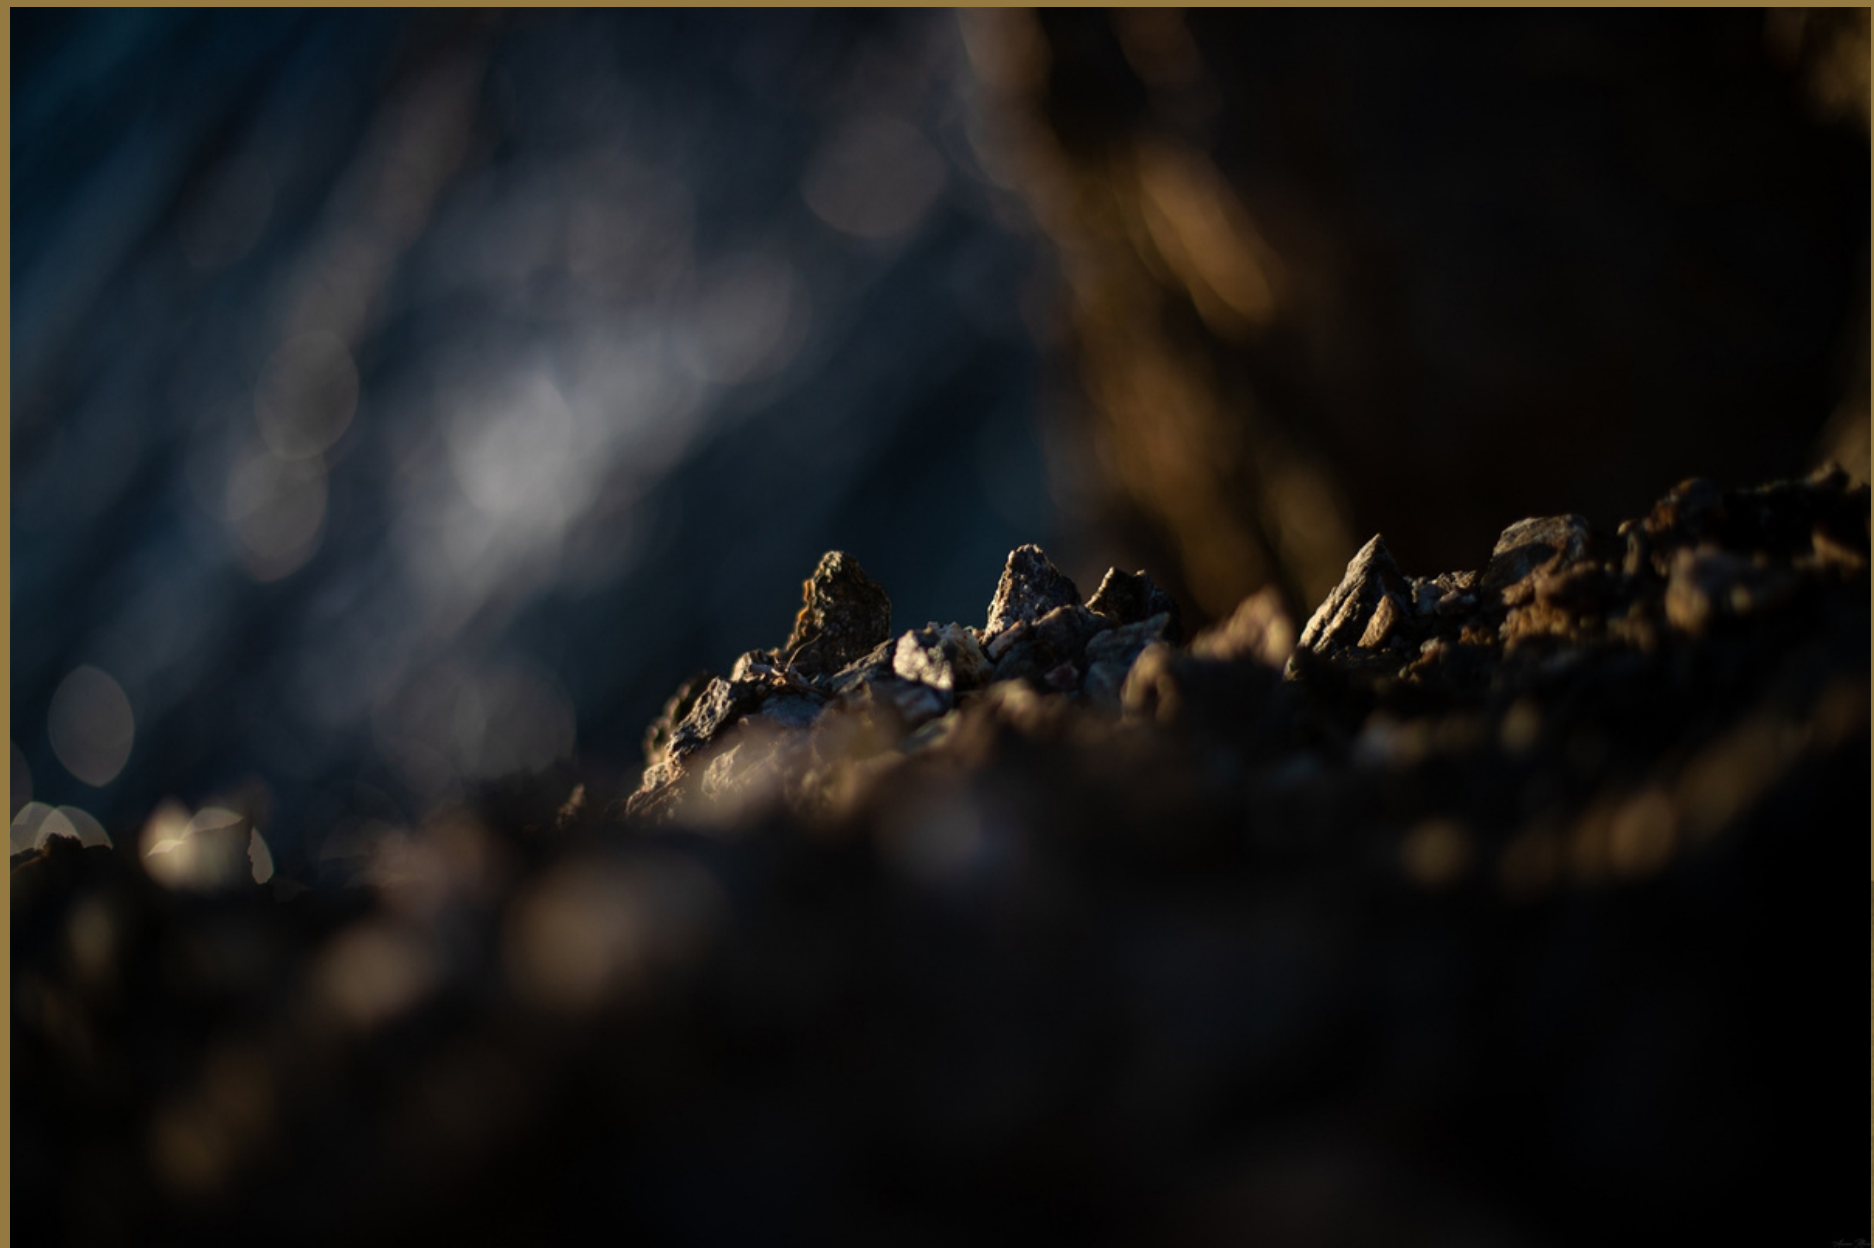

UBUNTU

"To make Peace within Oneself is to make Peace with the entire Earth."

Charles Dreaman Wells

ĀDARA

AROHA

"The energy it possesses is infinite and overlaps with that of the universe, so that peace may finally prevail on Earth."

Joëlle Laurencin

ATARAXIA

ENGARE

*"We are asked to love or hate this or that country and this or that people.
But some of us feel our similarities with all humans too strongly to accept this choice."*

Albert Camus

FREYJA

HIKARI

*"Bare your roots in the mighty earth and surrender them to the ground,
and when, all around us, everything will be much broader,
spread our wings wide and begin to fly."*

Pablo Neruda

JANMA

LÁSKA

"The tallest tree was born from a tiny seed."

Lao-Tseu

KAERLIGHED

LICHT

"Each person has the responsibility to nurture peace within themselves so that peace becomes universal."

Dalai Lama

MAHILA

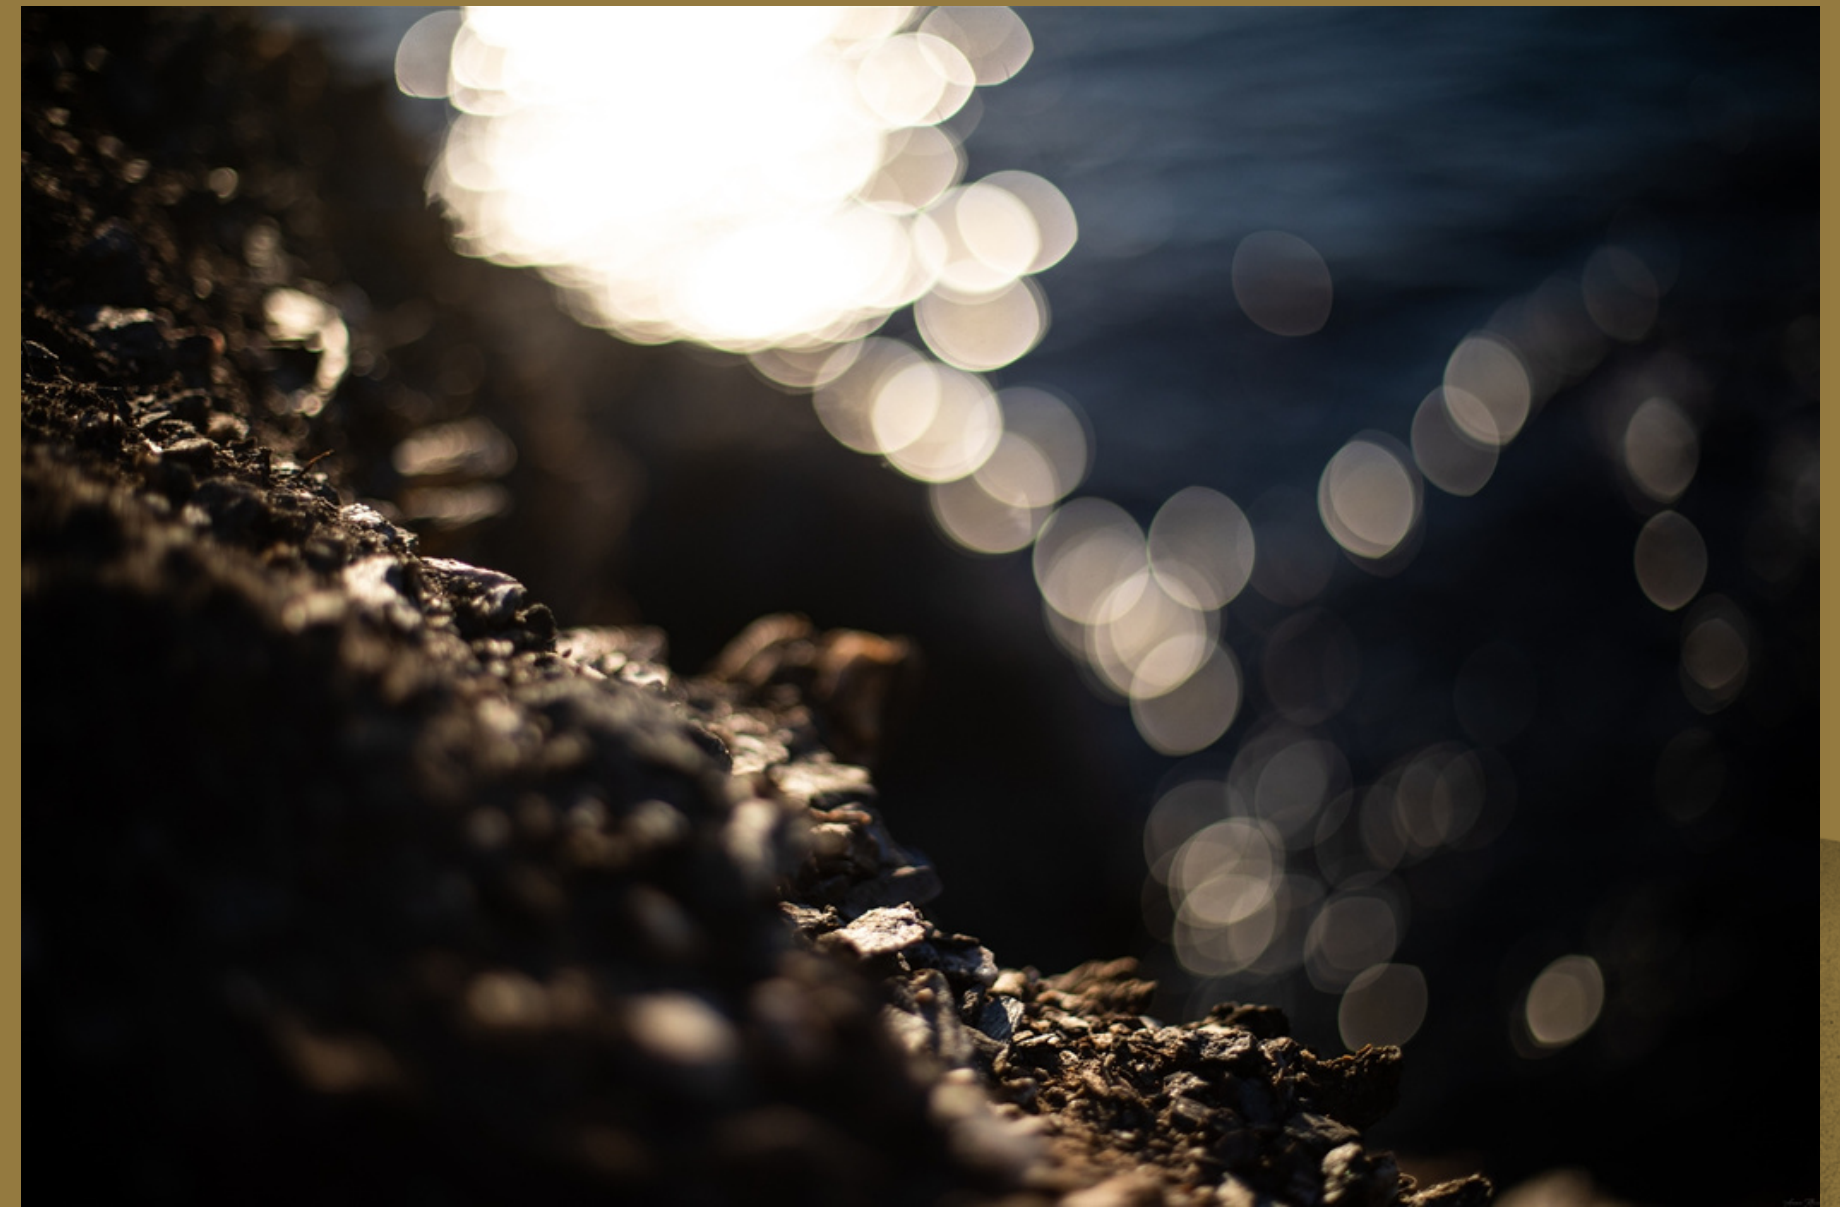

SA'ADA

"We resemble each other so much, and sharing the same fraternal hope for so long, united in the love we have for our Earth, we know that we are not enemies and that we could live happily together on this land that is ours."

Albert Camus

MOSH

SABI

"Peace is a state of mind inseparably linked to love."

Jiddu Krishnamurti

VOIMA

VÖR

*"Let us not rest on our laurels,
but strive to build peace,
to desire that peace be
in the heart and mind
of everyone."*

John Fitzgerald Kennedy

YŪGEN

*"We are responsible for what happens on Earth, both abroad and at home...
We are responsible for it, and when we all desire peace, we will achieve it."*

John Lennon

In the Radiance of
Wild and Free Seabreeze

KEANQ

SIEL

"The sea! Its sheer beauty captivates, holds the gaze, and gives the impression of an untouched expanse from the dawn of the world, of a power that surpasses the human being."

Reine Malouin

ALPHA

ALAKU

*"Beauty is everywhere in nature,
from the tiniest little flower to the harmonious reflections of light on the water's surface,
from the serene strength of majestic trees;
everything radiates with the natural beauty of the world."*

Natalia Logvinova Smalto, Le parfum de l'esprit

AMATERASU

ĀNANDA

"The future, a wide-open door to a horizon as vast as the sea."

Michelle Le Normand

ĀTAMAK

DAIMA

"The voice of the sea speaks to the soul.

The touch of the sea is sensual, enfolding the body in a gentle and secret embrace."

Kate Chopin

AVISKÄR

ELÄMÄ

*"If you pick up a seashell and hold it to your ear, you will hear the sea.
If you hold it to your chest, it will hear your heart."*

Philippe Geluck

DOVERIE

HIKMAH

"The sea is there, magnificent, imposing, and superb, with its relentless sounds.

An imperious and formidable murmur, it utters strange words.

The voices of infinity stand before you."

Eugène Delacroix

FOS

HOGI

"Man's life is like a river: from the source to the boundless sea."

MIR

KIPINÄ

"The will of God presents itself at every moment like a vast sea that your heart cannot exhaust."

Jean-Pierre de Caussade

MŪSU

OAZA

"Nothing is more conducive to clear thinking than an unobstructed view of the sea."

Anne-Marie MacDonald

PAZUDO

PRĒMA

"The sea touches the depths of man. In the sunlight, is it not the mirror of the human soul?"

Philippe Plisson

UNĚ

ÜNNEP

"When you dance, I wish for you a wave on the sea, so you may never do anything else."

William.Shakespear

SELENE

SAKTI

"There are doors to the sea that one opens with words."

Rafael Alberti

SISU

SULU

*"In the night, there are the stars and the shadowy movement of the sea, rivers, forests, cities, grasses,
the lungs of millions and millions of beings.
In the night, there are the wonders of the world."*

Robert Desnos

SYDÄN

UMOJA

"What can time do against a naked man who meditates alone, at night, facing the sea?"

Yvon Rivard

BEATHA

SATUTA

*"We have flown through the air like birds and swum in the sea like fish,
but we have not yet learned the simple art of walking on the earth as brothers."*

Martin Luther King

VOLYA

ZENDEGI

"Many people attack the sea; I make love to it."

Jacques-Yves Cousteau

KEDUSHA

UNMESA

"The sea connects the regions it separates."

Alexander Pope
